Course Description
Spring 2020

4th Semester

Editorial Photography

ECTS: 10

Aim

The course will qualify students to work with the commercial and staged photography in editorials, as well as to be able to communicate photographically in still and moving images on the relevant media platforms. The student will acquire elementary theoretical and practical knowledge of editorial work, and be able to receive and give a brief, acquire an insight into editorial tradition, aesthetically and practical, and be able to utilize this insight creatively in the process – and, ultimately, be able to manage the cross-functional set that lies behind the final product.

The course will end with a group assignment and an oral examination.

Central elements of the course

- Editorial as a genre
- Editorial design and layout
- Typography
- Pre-production, production and post-production
