

Danish School of Media and Journalism
VK - Interactive Design
Course description
Spring 2020

4. semester

Course: Motion Graphic Design

ECTS: 5

Aim

The course brings insights about methods and technologies related to developing motion graphics design, including sound, motion picture, animation and graphic design. The student will develop their own practice by solving design- and communication problems with use of tools and technology used in the industry. Finally, the student will gain insight in the business that produce and use motion graphics design.

Module's central subject elements are:

- Motion graphic design
- Visuel identitet
- Storytelling

Students will:

- Gain a theoretical approach to motion graphics design
- Practical experience with using motion graphics design as a narrative and identity making element
- Design for an actual media format defined by an external production company
- Gain experience in the proces of making motion design products with external clients

Attributes

Work discipline, willingness to cooperate, learning desire, openness, curiosity, willingness to research, imagination, planning ability, creativity.

Methods

The course is a combination of lectures, team teaching, group work, self study, solving exercises and assignments. Tasks and exercises are solved individually or in groups. In the process, emphasis is placed on analysis and reflection and feedback on own and others' products and process.

Tools

Graphics design, software, technology understanding, understanding of genre, visualization techniques, prototyping, oral argumentation, presentation technique.

Course goals:

After the course, students will have insights into, and knowledge of:

- Media and business where motion graphic design is situated
- Design proces related to development om motion graphics design products

After the course, students will be able to:

- Plan and produce a visual concept based on a given case/problem
- Work with sketching and design variations
- Pitch idea and product for an external professional client

Teaching Resources

- "Motion Graphic Design" (2013), Jon Krasner
- "De levende billeders dramaturgi" (2005), Peter Harms Larsen
- "Lydens Rolle" (2006), Per Meinertsen
- Creative Motion Graphic Titling for film, video and the web, (20011), Yael Braha & Bill Byrne

Online-tutorials:

- LinkedIn Learning
- greyscalegorilla.com

Attendance at meetings and class

Attendance is required for all scheduled teaching hours. Active participation is mandatory in exercises, assignments, group work, and peer feedback sessions.

Examination

The course is assessed pass/fail using internal censorship. In order to pass, all course assignments must be submitted and approved in a timely manner, the final assignment passed, and the student must have been active and met the requirements for meeting and compulsory attendance.

**Study Activity:
140 timer i alt**
